

Russell Daily appointed as the Law Complaints Officer

10 Jan 2020

The Chair of the Legal Practice Board has great pleasure in announcing that following an extensive process the Board has appointed Russell Daily as the Law Complaints Officer, starting on 10 February 2020.

Originally from Western Australia Russell brings a wealth of relevant legal experience having worked at the Victorian Legal Services Board + Commission for the past 10 years, holding the position of Director of Investigations, and having acted as the Legal Services Commissioner and CEO.

The Chair believes the appointment is an excellent fit for the Legal Profession Complaints Committee, and well suited to lead in Western Australia's legal profession regulatory bodies.
